

## Bid Information

Mnt. Home Paving Facility

**NOTICE TO ALL SUBCONTRACTORS AND VENDORS:**

Due to Ford Construction Company, Inc., office location we will be mailing our proposal to the Owner on Friday August 28, 2009. Please be sure to have your proposals into our office (fax or email) by Friday August 28, 2009 12:00pm (noon).

All proposals and quotes submitted for the project will have to be broken out into two separate numbers, as per the Owners Bid Form.

Bid Item # 1 - All Work for Repair Of Pavement and Equipment Building 1327, in accordance with section 01010, Project Summary.

Bid Item # 2 - All Work for Renovation for Survival and Life Support Shop Building 2215, in accordance with section 01010, Project Summary.

In order for Ford Construction Company, Inc. to verify your proposal includes all areas of the proposed construction scope, please breakdown your bid with a detailed scope of work and exclusions.

If possible we would prefer to have proposals into our office ASAP. So if we have questions about your proposal we have time to contact you and verify what is in the proposal.
