This Addendum shall include the following enclosed items:

Answers to the question received and the URL to attend the prebid meeting via a Zoom meeting.

Question/Answer Section:

Q: Can you give more information on how the foundation for the northern shelter is to be constructed?

A: Unfortunately the City has not received the construction plans for the shelter from the vendor yet. If the plans are received prior to the bid date we will issue an addendum to add them to the plan set. If not, please assume that a standard turn-down slab foundation will need to be installed.

Contract Change Section:

The requirement for prime contractors/bidders to physically attend the prebid meeting in person has been eliminated. The meeting is still considered mandatory to bid, but bidders may attend the meeting virtually as well as in-person at the Civic Center. Please note, this change does not affect the date or time of the meeting, and a non-mandatory physical walkthrough of the site will still be held following the mandatory portion of the meeting. The URL to attend the meeting virtually is as follows:
